What does aspiration mean to you?

Write it down on a post-it in:

- *one sentence OR bullet points*
- *1-50 words*
- *First and last name (optional)*

Add your generation:

Millennial, Generation X, Baby Boomer, Silent Generation

Stick it on the paper on your table (we'll collect these afterwards if that's okay with you)

Aspiration as Intergenerational

90% of millennial women in Aotearoa seek out employers with a strong policy on diversity, equality and inclusion

73% of millennial women in New Zealand feel that despite

‘talk’ of diversity, we do not have equal opportunities for all

55% of Aotearoa’s millennials believe employers are too male biased (43% worldwide, which has risen 11% since 2011)

Whoa! Those are some big numbers.
