

COVID-19 Community Fund recipients

10 July 2020

| Organisation name | Region | Purpose | COVID-19 Impact | Amount |
|--|-----------|--|---|----------|
| 408 Community Trust | Northland | To provide towels and sports gear for girls to take part in afterschool sporting activities | A loss of income has meant parents are unable to pay for required sporting gear | \$20,000 |
| African Scholarship Trust for Education and Leadership | Auckland | To support African migrant women to stay engaged with their community and teach them skills to thrive in New Zealand | Financial hardship due to job losses has caused African migrant women to lose touch with vital community support | \$10,000 |
| Anamata | Waikato | To provide sexual health care and social support to young women and girls aged 12 to 24 years old | Operated as a drop-in clinic prior to COVID-19. Physical distancing requirements have resulted in a significant decrease in people able to access the service. Funding required to help Anamata reach community members | \$5,000 |
| Arohena Hall Society Inc. | Waikato | To support isolated women to stay in touch with their community through physical wellbeing sessions | Due to increased financial hardship, women have not been able to attend and/or pay for physical wellbeing sessions, which are vital to community engagement in this isolated community. | \$10,000 |
| ASA Foundation | Auckland | To support the physical and mental wellbeing of, particularly Samoan women | Capacity to provide services has been impacted significantly by an increased demand for services, particularly from those suffering domestic violence | \$25,000 |
| ATAWHAI Charitable Trust | Gisborne | To support marginalised groups of women, including former women prisoners and members from the LGBTIQ community | The social and economic effects of COVID-19 have increased demands for these services. | \$20,000 |

| | | | | |
|--------------------------------------|---------------|--|---|----------|
| Auckland City Mission | Auckland | To provide specialised health and social services to vulnerable women in Auckland | COVID-19 has forced the Mission to restructure its essential services to meet the needs of the wider community. Additional funding is required to do this | \$13,000 |
| Auckland North Newcomers Network | Auckland | To support migrant women to stay connected to their communities | There has been increased stress and isolation due to lack of family support networks. | \$11,200 |
| Auckland Women's Refuge Inc. | Auckland | To support the refuge to obtain protection orders and deliver counselling for women | There has been an increase in family violence due to COVID-19 related stressors. | \$35,000 |
| Awhina Hoiho | Northland | To provide professional mental health services to women who have experienced trauma | COVID-19 has resulted in an increased demand for services due to higher levels of stress and anxiety. | \$5,000 |
| Awhina House | Bay of Plenty | To support homeless women with transitional housing | The COVID-19 pandemic has seen an increase in women who are homeless, due to job losses, redundancies, violence and stress | \$40,000 |
| Benefit Education Service Trust BEST | Wellington | To help women navigate Work and Income services | Significantly increased the workload of employees and volunteers. More resourcing is required to effectively respond to this increase in need | \$11,500 |
| Cambridge Community House Trust | Waikato | To provide wrap-around support to help women to break the cycle of intergenerational violence | The COVID-19 pandemic has seen an increase in women needing wrap-around support, due to job losses, redundancies, violence and stress | \$25,000 |
| Camellia House Trust | Manawatū | To provide temporary accommodation for women and children who would otherwise be at risk of homelessness | As a result of COVID-19 funding has declined, and demand has increased | \$25,000 |

| | | | | |
|--|-------------|---|---|----------|
| CAPS Northland Incorporated | Northland | To provide counselling for women and girls for anxiety and other mental health challenges. | Funding streams such as Lottery grants, have dried up and there has been a significant increase in referrals | \$10,000 |
| Care for Families | Auckland | To provide essential items to support mothers of premature and new-born babies | Due to the pandemic, donations they would normally have received have dried up. | \$10,000 |
| ChangeMakers Resettlement Forum | Wellington | To support former refugee women to obtain their drivers licence, which is critical to securing employment | The pandemic has reduced volunteer availability due to immune system issues and job losses | \$18,000 |
| Children's Autism Foundation | Auckland | To support women who have a children with Autistic Spectrum Disorder | Income through donations and paid training has been severely impacted. Without additional support for CAF's outreach programmes, clinics and workshops, it will need to operate a reduced service | \$7,268 |
| Cholmondeley Children's Centre | Canterbury | To support the women and girls emergency poverty fund as well as home visits | Due increased stress on the community they serve, there is an increased demand for services | \$5,000 |
| Christchurch Early Intervention Trust- The Champion Centre | Canterbury | To provide translation services for immigrant families who have children with complex needs as well as counselling sessions | Job losses and increased stress | \$20,000 |
| Christchurch Youth Council Incorporated | Canterbury | To provide coaching for isolated, new and or young mothers to find personal strengths to overcome adversity | Funding for the coaching programme was reduced as a result of the pandemic | \$5,120 |
| Citizens Advice Bureau Napier Inc. | Hawke's Bay | To support women to understand their rights including as they relate to child protection issues, relationship difficulties, tenancy | Funding has been affected due to having to cancel fundraisers and usual donations being less | \$10,000 |

| | | | | |
|---|-------------|--|---|----------|
| | | and financial difficulties | | |
| Citizens Advice Bureau Wairoa | Hawke's Bay | To cover operational costs so they can support women to understand their rights including as they relate to child protection issues, relationship difficulties, tenancy and financial difficulties | Funding has been affected due to having to cancel fundraisers and usual donations being less | \$10,000 |
| CNSST Foundation, formerly known as Chinese New Settlers Services Trust | Auckland | To provide social work and counselling to new migrant mothers, in particular as it relates to family violence. | There has been an increased demand due to the stresses caused by COVID-19. | \$15,000 |
| Come Sew With Me Charitable Trust | Wellington | To support women from diverse communities to form a connection or stay connected to their community | There has been a decrease in donations due to the pandemic | \$7,000 |
| Community Law Wellington & Hutt Valley | Wellington | To provide support to the refugee and immigration legal advice service | Funding was cut due to the COVID-19 Pandemic, and demand has increased | \$15,350 |
| Community Legal Advice Whanganui Trust | Manawatū | To provide free community legal advice and services to women | Has seen an increase in instances of family and sexual violence; and elder abuse, in particular, post-alert level 4. Requires additional funding to increase availability of services | \$13,780 |
| Dayspring Trust | Auckland | To support counselling and life skill programmes to high-risk women and their children | Decreased income from usual funding sources and an increase in demand. | \$10,000 |
| Diamonds in the Rough | Auckland | To provide a teen parenting programme for Pacific and Māori teenage parents | There has been an increase in demand for services due to higher | \$20,000 |

| | | | | |
|--|------------|---|---|----------|
| | | | levels family violence and stress and anxiety | |
| Disabled Persons Assembly New Zealand Inc. (DPA) | Nationwide | To support the setting up of a DPA Women's Caucus aimed at supporting disabled women facing intersectional challenges | Lockdown was particularly challenging for the disabled community with difficulty accessing essential services and support. There is an ongoing need for online and face-to-face support | \$10,000 |
| E Tipu E Rea Whanau Services | Auckland | To provide a programme of action for teen mothers, including life skills and mentoring | The pandemic resulted in teen mothers not being able to attend the programme due to reduced finances and lack of access to digital platforms | \$12,000 |
| Fafine Ekalesia Malietasi | Auckland | To provide sewing machines to contribute to business skills and fundraising opportunities for women in your congregation | The pandemic has significantly reduced the organisation's income, primarily through being unable to fundraise. Funding is required to provide group members with sewing materials. It is expected the materials will assist the group with fundraising, as well as generate income for individual members | \$8,000 |
| Family Drug Support Aotearoa New Zealand | Canterbury | To support the delivery of the 30 step programme | Demand for services has more than doubled since the start of the pandemic and most people requiring services are unable to contribute financially to attend the programme | \$5,000 |
| Family Success Matters | Auckland | To provide support for the cost of a Children's Services Coordinator to support over 230 high-risk single mothers and their children in Counties Manukau and Franklin | Funding has reduced as a result of the pandemic, while demand has increased due to loss of income, family violence and stress and anxiety issues | \$10,000 |
| Family Works Tairawhiti - a service of | Gisborne | To provide mental health, advocacy, mentoring, and | There has been an increase in demand due to stresses caused by the | \$20,000 |

| | | | | |
|---------------------------------------|-------------|--|--|----------|
| Presbyterian Support East Coast | | practical support for marginalised women in Tairāwhiti | pandemic, which were magnified by the fact that the women who are supported by this organisation live in isolated communities | |
| Fight Fitness Moerewa - Community | Northland | To support women and girls in obtaining sports uniforms | There was increased need and costs as a result of the pandemic, as sporting equipment had to be replaced | \$5,000 |
| Hamilton Christian Nightshelter Trust | Waikato | To provide emergency accommodation for women | Was primarily volunteer-driven prior to COVID-19. The pandemic has created a need to hire paid staff. Increased need for the service is expected to continue as people lose their jobs as a result of COVID-19 | \$16,000 |
| Hands Up Community Services Trust | Waikato | To support the setting up of an online platform to provide counselling for women living in remote communities in the Waikato | Demand has increased due to COVID-19 and the remoteness of the communities has exacerbated stresses caused by the pandemic | \$15,000 |
| He Waka Taiora | Auckland | To support the employment of a live-in support worker, providing AOD support to women who have been incarcerated | The pandemic meant that accommodation options for women leaving prisons were limited, resulting in an increased demand for the services of this provider. | \$5,000 |
| Heretaunga Women's Centre | Hawke's Bay | To provide counselling services for women in Hawke's Bay | Grant Funding was reduced due to the pandemic, and demand increased. | \$10,000 |
| Hiwa Navigation | Otago | To support the employment of a navigator to secure access to online counselling services for predominantly Māori and Pacific sexual abuse survivors. | The pandemic meant there was an increased need for remote counselling, which was often not accessible due to a lack of digital capability and equipment | \$15,000 |

| | | | | |
|---|---------------|---|---|----------|
| Homebuilders West Coast Trust | West Coast | To provide a variety of programmes to support isolated women and girls, including those who have experienced trauma | The pandemic placed increased stress on vulnerable families, and work has had to be delayed resulting in a back log of referrals | \$12,000 |
| House of Peace | Waikato | To support women from vulnerable ethnic communities to connect with other members of their communities | The pandemic caused many ethnic communities to feel increasingly isolated; this organisation aims to bring women from ethnic communities together | \$5,000 |
| iQ Talanoa Trust | Auckland | To support indigenous women who are considering a return to study, upskilling, a career change or new knowledge gathering | Funding is required to move services online (Zoom subscription, etc.) | \$5,000 |
| Katikati Māori Wardens Charitable Trust | Bay of Plenty | To support vulnerable Māori women and girls to attend courses aimed at supporting whānau in reducing family and sexual violence and improving child wellbeing | The pandemic has seen an increase in family violence including due to the stresses caused by job losses | \$20,000 |
| Kete Matauranga Trust | Northland | To support wānanga for Māori women and girls to improve their health and wellbeing from a Te Ao Māori perspective | The pandemic put additional stresses on communities which were already facing poverty, poor social service provisions and inadequate support for health and wellbeing | \$10,000 |
| Kia Timata Ano Trust | Auckland | To provide support for counselling, safe houses and family support services for women who have suffered domestic and or sexual violence | The pandemic caused a significant loss of income from usual support partners, while demand has increased | \$25,000 |
| Kite Rapu i te Ora Trust | Bay of Plenty | To support ongoing operational costs to provide services for | There was an increase in demand for services, which could not be met due to | \$15,000 |

| | | | | |
|---|---------------|--|--|----------|
| | | victims of sexual and domestic violence | lack of connectivity, this remains an ongoing issue | |
| Levin Christian Care Trust - T/A Living Well Counselling Centre | Manawatū | To provide low-cost, accessible counselling to women | Physical distancing requirements have resulted in a significant decrease in people able to access the service. |--|------------|--|--|----------|
| WAI the Women's Art Initiative | Manawatū | To provide free, resourced and facilitated art-making, gathering space and exhibitions for women who have experienced family violence | The pandemic has placed increased pressure on the organisation's services. Funding is required to mitigate this pressure and to provide organisation members with information relating to COVID-19 specific guidelines and new protocols | \$16,600 |
| Waiheke Hope Centre | Auckland | To provide emergency accommodation for women on Waiheke Island | Was primarily volunteer-driven prior to COVID-19. The pandemic has created a need to hire paid staff. Increased need for the service is expected to continue as people lose their jobs as a result of COVID-19 | \$5,000 |
| Waihopai Runaka | Southland | To support the running of a Women's Tikanga Programme, aimed at supporting victims of family violence | The pandemic caused an increase in anxiety and instances of family violence, resulting in an increase in demand | \$20,000 |
| Waikato Queer Youth | Waikato | To provide support for operational costs to continue workshops and community outreach for vulnerable women and girls | The lockdown caused increased stress and anxiety for vulnerable women and girls in this community | \$20,000 |
| Wairarapa Branch, Māori Women's Welfare League | Wellington | To provide social, education and judicial support to wāhine Māori | The pandemic limited the support that Māori could provide to each other. This funding seeks to mitigate this through providing self-sufficient food resources and online services | \$5,000 |
| Wairarapa Cricket Association | Wellington | To provide support for operational costs and a Māori and Pacific engagement officer to ensure women and girls can continue to participate in sport | The pandemic has resulted in a decrease in available funds due to the lockdown | \$5,000 |

| | | | | |
|--|------------|---|--|----------|
| Wairarapa Women's Centre | Wellington | To provide social support and education to women | The organisation started new services in response to COVID-19, which have proven largely beneficial. Funding is required to continue these services | \$5,400 |
| Wairarapa Youth Charitable Trust | Wellington | To provide funds to cover 25 female membership fees so they can continue to participate in sport | The loss of jobs as a result of the pandemic means that parents can no longer afford membership fees | \$5,000 |
| Wairoa Financial Literacy | Gisborne | To provide financial capability services to women | Increase in demand for services and subsequent costs. Funding is required to provide these services | \$5,000 |
| Well Women Franklin | Auckland | To provide education and support to mothers | Physical distancing requirements have resulted in a significant decrease in people able to access the service. Funding required to help the organisation cover basic costs and to meet the increase in demand that is likely to continue | \$8,000 |
| Wellbeing Charitable Trust | Auckland | To provide support to empower mothers in the Asian community to talk to their children about how to better deal with bullying | The pandemic has caused an increase of bullying incidents aimed at the Asian community this organisation works with, causing higher levels of stress and anxiety | \$5,000 |
| Wellington Breastfeeding and Parenting Support Trust | Wellington | To provide education and support to mothers | Physical distancing requirements have resulted in a significant decrease in people able to access the service. Funding required to help the organisation cover basic costs and to meet the increase in demand that is likely to continue | \$5,000 |
| Wellington Tonga Leaders Council | Wellington | To support workshops in Porirua, Upper and Lower Hutt aimed at helping vulnerable | The pandemic caused higher levels of anxiety and stress due to job losses | \$15,000 |

| | | | | |
|---------------------------------------|---------------|--|---|----------|
| | | women and girls from the Tongan community who have experienced family violence | and increased instances of domestic violence | |
| Wellington Women's Health Collective | Wellington | To provide support to employ an additional counsellor to provide free counselling to vulnerable women and girls | The pandemic has seen an increased need for counselling services for vulnerable women and girls, however it has become increasingly difficult to retain the services of volunteer counsellors who would normally volunteer their time | \$15,000 |
| Wera Aotearoa Charitable Trust | Bay of Plenty | To support the purchase of 'welcome home' packages for women moving into affordable housing | The pandemic caused a significant disturbance in progressing the process to secure housing for vulnerable women | \$10,000 |
| West Auckland Youth Development Trust | Auckland | To provide comprehensive mentoring and support programmes to youth through boxing | Funding is required to start a boxing programme targeted towards young women, particularly Māori and Pasifika women | \$7,500 |
| WestREAP | West Coast | To provide education and support to women, particularly by focussing on parenting education and skills | COVID-19 has disrupted many of WestREAP's core services. Funding is required to help establish an initiative targeted towards expectant mothers in the Franz Josef Glacier area | \$5,000 |
| Whakaoranga Whanau Recovery Hub | Northland | To support the employment of an AOD counsellor to support women and girls with mental health and addiction issues | Anxiety and depression levels rose significantly for women served by this organisation, all of whom suffer from mental health and addiction issues | \$20,000 |
| Whanake Youth | Nelson | To provide support for the employment of a 0.5 FTE clinical nurse to provide access to free, private and confidential onsite health care | The pandemic caused an increase in stress and anxiety levels for the vulnerable young mums and pregnant young women and girls this organisation works with, | \$17,250 |

| | | | | |
|---------------------------------------|------------|---|---|----------|
| | | | causing an increase in demand | |
| Whangamata Community Services Trust | Waikato | To provide whānau support, social work, family violence intervention, counselling, budgeting and other support services | COVID-19 has seen an increase in demand for food and period products. Funding is required to meet this demand | \$5,000 |
| Whangarei Anglican Care Trust | Northland | To support free counselling sessions for vulnerable women and girls in Whangarei | The pandemic has seen an increased need for free counselling services, including financial counselling | \$5,000 |
| Whare Timatatanga Hou Ora | Northland | To support the construction of an onsite facility to accommodate women and their children who have been victims of violence | The pandemic caused increased levels of domestic and or sexual violence in the Northland community this organisation serves | \$40,000 |
| Women of Worth Charitable Company Ltd | Wellington | To support the development of a Women of Worth programme, aimed at supporting vulnerable women and their children | The lockdown caused a resurfacing of anxiety and depression for the vulnerable women this organisation supports | \$10,000 |
| Women's Centre Incorporated | Canterbury | To provide support for operational costs for wrap around services for vulnerable women and their children | The pandemic saw a significant increase in demand for the wrap around services this organisation provides for vulnerable women and their children | \$20,000 |
| Womens Centre Rodney Inc. | Auckland | To support free counselling session, mothers support groups and the Winter Warmer appeal | The pandemic saw a significant increase in demand for the wrap around services this organisation provides for vulnerable women and their children, predominantly from the Pacific community. Funding also decreased | \$24,255 |

| | | | | |
|---|------------|---|--|----------|
| Women's Centre Waitakere | Auckland | To support the employment of an additional counsellor to support women who have been victims of domestic violence | The pandemic meant counselling sessions with women who have been victims of violence had to be cancelled, leading to increased stress and anxiety in this vulnerable group of women | \$20,000 |
| Women's Network Whanganui | Manawatū | To provide comprehensive support to women and girls in Whanganui | COVID-19 has negatively impacted the Network's usual income streams and resulted in additional cost pressures. Funding is required to meet the increase in demand | \$12,000 |
| Woven Earth | Auckland | To provide support for operational costs to support women who have had to leave their home as a result of violence with clothes and furniture | The pandemic saw an increase in violence against women, resulting in them having to leave their homes, often with little or no clothes and or furniture | \$10,000 |
| Young Women's Christian Association Christchurch Inc. | Canterbury | To provide safe spaces, pastoral, educational, health and wellbeing support to young women in Christchurch | The association obtains most of its income through weekly rental payments, paid by residents at its site in Christchurch. COVID-19 restrictions meant new residents were unable to move in, resulting in a significant income loss for the association. Funding is required for the installation of heat pumps at the association's residence site | \$9,778 |
| Zeal Education Trust - Wellington | Wellington | To support the employment of additional support workers to support young women in the rainbow community | The pandemic saw a significant increase in demand for services for women and girls from the rainbow community, however funding was significantly reduced | \$20,000 |
